

Elderly Woman Behind the Counter in a Small Town

Pearl Jam

I seem to recognize your face
Haunting, familiar yet, I can't seem to place it
Cannot find the candle of thought to light your name
Lifetimes are catching up with meAll these changes taking place
I wish I'd seen the place
But no one's ever taken meHearts and thoughts they fade, fade away
Hearts and thoughts they fade, fade awayI swear, I recognize your breath
Memories like fingerprints are slowly raising
Me, you wouldn't recall for I'm not my former
It's hard when you're stuck upon the shelfI changed by not changing at all
Small town predicts my fate
Perhaps that's what no one wants to see
I just want to scream helloWell, my God it's been too long
Never dreamed You'd return
But now here You are and here I amHearts and thoughts they fade awayHearts and thoughts they fade, fade
away
Hearts and thoughts they fade, fade away
Hearts and thoughts they fade away
Hearts and thoughts they fade, fade away
Fade away, fade away
