

Cured of Youth

Tennis

Her steps stand akin
Who can resist?
So easily upstaged
But really I'm amazed With eyes alight
And her hair so bright
Like I'll never find
Never find anything so divine Here's your one chance
Baby, I know you can
Here's your one chance
Got them in the palm of your hand And I'll show her what a young love, 'kay
Make an entrance at the doorway, ooh ay
Best not to remember
That baby, it ain't easy
She might leave the mark
But that's just the start
Hard to be self aware
To be the one who cares It's when she's close
That I feel the most
Like I'll never find
Never find anything so divine Here's your one chance
Baby, this is your night
Here's your one chance
Better hope you get this right And I'll show her what a young love, 'kay
Make an entrance at the doorway, ooh ay
Best not to remember
That baby, it ain't easy
Ooh ooh ooh oo-oo-oo
Na na na na na na na
Na na na na na na na Baby, don't look so sure, yeeeaah
Na na na na na na na
Na na na na na na na
