Mission Of Mercy

Doro Pesch

Walkin' on the wire
Livin' on the edge of time
Lost in our desires
We're never satisfied
Waiting for the wonder
You could really lose your mind
'Cause fate is no hunter
And fear can only make you blind
We're hiding so much pain
But it is all in vain
Livin', lying for a
Mission of Mercy
Rescue me and I will be your
Mission of Mercy
Set me free and I can be your
Mission of Mercy
Mission of Mercy
Drownin' in emotions
Tryin' to swim against the tide
The devil is in motion
And someone's always sacrificed

We're hiding so much pain
But it is all in vain
Livin', lyin' for a
Mission of Mercy
Rescue me and I will be your
Mission of Mercy
Set me free so I can be your
Mission of Mercy
Mission of Mercy
We're hiding so much pain
But it is all in vain
Livin', lyin' for a
Mission of Mercy
Rescue me and I will be your
Mission of Mercy
Set me free so I can be your
Mission of Mercy

Mission of Mercy
Mission of Mercy...
