Heaven Is A Place On Earth

Mxpx

Ooh baby, do you know what that's worth?
Ooh, heaven is a place on earth
When the night falls down
I wait for you and you come around
And the world's alive
With the sounds of kids on the street outside
When you walk into the room
You pull me close and we start to move
And we're spinning with the stars above and
You lift me up in the world above
Ooh baby, do you know what that's worth?
Ooh, heaven is a place on earth
They say in heaven love comes first
We'll make heaven a place on earth
Ooh, heaven is a place on earth
When I feel alone
I reach for you and you bring me home
When I'm lost at sea
I hear your voice and it carries me
In this world we're just beginning
To understand the miracle of living
Baby I was afraid before I'm not afraid anymore
Ooh baby, do you know what that's worth?
Ooh, heaven is a place on earth
They say in heaven love comes first
We'll make heaven a place on earth
Ooh, heaven is a place on earth
Ooh baby, do you know what that's worth?
Ooh, heaven is a place on earth
They say in heaven love comes first
We'll make heaven a place on earth
Ooh, heaven is a place on earth
Ooh, heaven is a place on earth
