

Nineteen Twenty Yoww!

Peg + Cat

You like to shake it some
I like to shake it plenty
I like to shake it all the way
past 10 and up to 20

Whoa, whoa, whoa, whoa,
whoa, whoa, whoa, whoa

One, two, three, four, five,
six, seven, eight, nine, ten,
Eleven, twelve, thirteen, fourteen, fifteen,
seventeen, eighteen, nineteen, twenty, yeah!

I like to tap and hop
until my shoes are denty
I just can't stop at 10,
I tap, tap, hop notes up to 20

Whoa, whoa, whoa, whoa,
whoa, whoa, whoa, whoa

One, two, three, four, five,
six, seven, eight, nine, ten,
Eleven, twelve, thirteen, fourteen, fifteen,
seventeen, eighteen, nineteen, twenty, yeah!

If you love to move and move
and move again
Move and move and move on
way past 10

Can't stop yourself,
you know what I mean
Move on past 12
and even 19

If I were a king
or someone presidenty
I'd order everyone to stomp

and stomp right up to 20

Whoa, whoa, whoa, whoa,
whoa, whoa, whoa, whoa

One, two, three, four, five,
six, seven, eight, nine, ten,
Eleven, twelve, thirteen, fourteen, fifteen,
seventeen, eighteen, nineteen, twenty
Say it againy
Nineteen, twenty, yeah!
