Boom Boom

Nobody's Angel

I told my girls, today's the day
Gonna get it get it going, gonna swing your way
Gonna hold my breath, dive right in
Come on let the fun beginI told my friends, I'm gonna do
All the things that I've been wishing and wanting to
Ain't nothing gonna stop me now
Gonna get to you somehowWanna take you down, wanna rock you 'round
Wanna give you all my lovin'
Wanna get with you, make your dreams come true
You got me goin'Boom boom, I feel the room shake
Every time you look at me
It's like a little earthquake
Ooh baby, honey, please
You don't know what you do to meOoh boy, just look at me now
You got me going, going
Like a merry go round
Ooh baby, honey, please
You don't know what you do to me
Boom boomMy friends say I've been too shy
That I'll never get to heaven, if I never try
So what's the T? Will you and me
Be movin' and funkin' in timeThat sexy smile and lips so sweet
You know you knock, knock, knockin' me off my feet
I could be your girl, show you 'round the world
Show you what you mean to meWanna get you up, do it soft or tough
Wanna give you all my kissin'
When you gonna see, baby look at me
Here's what you're missin'Boom boom, I feel the room shake
Every time you look at me
It's like a little earthquake
Ooh baby, honey, please
You don't know what you do to meOoh boy just look at me now
You got me going going
Like a merry go round
Ooh baby, honey, please
You don't know what you do to me
Boom boomBoom boom, can you feel the heart beat, beat, beat?
Across the room
Boom boom, can you feel the heart beat, beat, beat?

Across the roomWanna take you down, wanna rock you 'round
Wanna give you all my lovin'
Wanna get with you, make your dreams come true
You got me goingBoom boom, I feel the room shake
Every time you look at me
It's like a little earthquake
Ooh baby, honey, please
You don't know what you do to meOoh boy, just look at me now
You got me going, going
Like a merry go round
Ooh baby, honey, please
You don't know what you do to meBoom boom, I feel the room shake
Every time you look at me
It's like a little earthquake
Ooh baby, honey, please
You don't know what you do to meOoh boy, just look at me now
You got me going, going
Like a merry go round
Ooh baby, honey, please
You don't know what you do to meBoom boom, can you feel the heart beat, beat, beat?
Across the room
Boom boom
