Who Cares

Who cares by White River
(Lyrics transcribed by Francis and Connie Lammawin)

I donâ€™t need a diamond on this finger
And I donâ€™t need a second home, for the winter
I donâ€™t need a wealth of a king
â€˜Cause when I found Jesus, I found everything.

Chorus:
Who cares if lifeâ€™s not always fair
Who cares if Iâ€™m not a millionaire
Who cares if the world thinks Iâ€™m square
â€˜Cause I finally found someone who cares

I donâ€™t need my name in neon lights
I donâ€™t need a doctorâ€™s messing with my mind
I donâ€™t need to hear your get-rich plan
â€˜Cause my investments are in glory land.
