

When Two Spirits Touch (feat. Tony McPhee)

Blue Cheer

(Dickie Peterson)

Yaayy-ow!

Oooh yeah!When two spirits touch

When they meet enough

Gotta take the time to let it last

But if you ever do find

If you ain't got the time

You oughta take the time to let it pass

Oh! let it pass!Believe I'll take my coat

Strap it across my back

Jump on East to become with the night

'Cause baby, it's time.Believe I'll take my leave

Honey, if you please

Well I jump on East to become with them right

'Cause baby, goodbye.(Goodbye baby, whoa, ooh yeah, whew, tell you what I'm gonna do baby, sing it

Dickie!)Believe I'll take my coat

Strap it across my back

Jump on East to become with the night

'Cause baby, it's time.Believe I'll take my leave

Honey, if you please

Well I'll jump on East to become with them right

'Cause baby, goodbye.(Say goodbye baby, whew!)When two spirits touch

When they meet enough

Gotta take the time to let it last

But if you ever do find

If you ain't got the time

I hope you take the time to let it pass

I hope you take the time to let it pass

You oughta take the time to let it pass.(Whooo ha yah, woo-oo ha, yeh, ye-ye yeh! Yeh!)
