

A Freak

Flashlight Brown

We woke up one sunday morning
Bought a thousand dollar van
Picked the boys up on the west side
Now I don't know where I am
But tonight would have gone way smoother had we had more beer
Buggered off to find a grocery store
Get a 40 and some gum
Feeling lonely got a girly mag
A little gloss to keep me warm
But tonight would have gone way smoother had we had more beer
Now marky's lost
Poor tim is trapped in conversation
And fil was saved
By all our constant aggravation
Hey there pea soup did you see that show?
Hey there pepsi did you see?
We'll make sure to come this way again
We'll make sure you get in free
But tonight would have gone way smoother had we had more beer
