## His Name Is Alive

Dear friend  
As I write this letter  
I hope you are okay  
There's something on my mind today  
I thought you'd like to hear  
Eighteen Eighty Eight  
Twelve Twenty Third  
He gave her his ear  
"Guard this object carefully"  
And then he disappeared  
A trail of blood led to his room  
They found his body there  
Razor in his right hand  
He sliced through his left ear  
Started high at the back  
Hacking downwards fast  
Left the upper ear attached  
An ugly fleshy flap
