

# Perfect Day

Hoku

Sun's up, a little after twelve, make breakfast for myself  
Leave the work for someone else  
People say, they say that it's just a phase  
They tell me to act my age, well I am  
On this perfect day, nothing's standing in my way  
On this perfect day when nothing can go wrong  
It's the perfect day, tomorrow's gonna come too soon  
I could stay, forever as I am on this perfect day  
Sun's down, a little after ten I pick up all my friends  
In my Mercedes Benz, wake up don't tell me it's just a dream  
'Cause when I've had enough you'll hear me say  
Now don't you try to rain on my  
Perfect day, nothing's standing in my way  
On this perfect day when nothing can go wrong  
It's the perfect day, tomorrow's gonna come too soon  
I could stay, forever as I am on this perfect day  
I'm in the race but I've already won  
And getting there can be half the fun  
So don't stop me till I'm good and done  
Don't you try to rain on my  
Perfect day, it's the perfect day  
It's the perfect day, nothing's gonna bring me down  
I could stay, forever as I am  
On this perfect day, nothing's standing in my way  
On this perfect day, nothing can go wrong  
I'm in the race but I've already won  
And getting there can be half the fun  
So don't stop me till I'm good and done  
Don't you try to rain on my perfect day  
On this perfect day, on this perfect day
