

In My Mind (Alistair Overeem ufc entrance)

[Ivan Gough](#)

And in my mind
In my head
This is where we all came from
The dreams we have
The love we share
This is what we're waiting for
This is what we're waiting for
This is what we're waiting for
And in my mind
In my head
This is where we all came from
The dreams we have
The love we share
This is what we're waiting for
And in my mind
In my head
This is where we all came from
The dreams we have
The love we share
This is what we're waiting for
