

You Can't Save Me

Black Bomb A

[Couplet 1:]

I don't care what you think of me
Different I like to be
So don't try to change my way
You can't save me [Couplet 2:]

I don't tell you how to be
don't try to judge me

I'm getting strange everyday
You can't save me no ! You can't save me no !
You can't save me no !
You can't save me no !

You can't save me no ! No ! No ! No ! No ! You're afraid for me
That's your principal problem
You're afraid for me

' cause you're living among the dead So can't you wake up, I cannot be another man now ! I'll stay ! [x8] I'll stay
on my way ! [Couplet 1]

[Couplet 2] You can't save me no !
You can't save me no !
You can't save me no !

You ! can't ! no !!! I wish I will kill da pain
I'll kill da pain

I wish, I wish, I will kill da pain
In me [x2] [Couplet 1]

[Couplet 2] I understand, I see, but I cannot forgive [x2] Get out da bastards [x4] Human people have to overcome
their egocentrism Get out da bastards
Get out da bastards [x2]
Get get get get... out !
