

# I, the Witchfinder

## Electric Wizard

"I am Albino  
Wish to see me?" I am Albino, evil witchfinder  
I'll cleanse her sins, for witchcraft I condemn her  
My implements of torture are bloody red  
Your confession for sorcery will leave you dead  
Will leave you dead  
Will leave you dead I am Albino, evil witchfinder  
I know she's guilty before I find her  
I'll pierce her flesh to find his mark  
Torture, my pleasure, true servant of the dark  
True servant of the dark I, the witchfinder  
I, the witchfinder  
I, the witchfinder  
I, the witchfinder I, the witchfinder  
I, the witchfinder  
I, the witchfinder  
I, the witchfinder  
I, the witchfinder  
I, I
