

# Paradise

## Fratelli Sberlicchio

[Verse 1]How long you gonna make me wait

Tell me what it's gonna take

Boy you got that thing I really need

Baby give me a clue

Now I leave it up to you

Let's keep it on the low

Boy you put your trust in me

They don't need to know the truth

The way I feel for you

So watcha gonna do when my love is here for you?

[Chorus]Paradise

That's where I am

When I make love to you

Boy you take me there

This I swear

Paradise

When you touch me

In the places you do

I can't wait no more

Take me there tonight

[Verse 2]Won't you make up your mind

Thought about a thousand times

Tell me what to do to make you mine

I think about you every day

Thoughts of you won't go away

Let's keep it on the low

Boy you put your trust in me

They don't need to know the truth

The way I feel for you

So watcha gonna do when my love is here for you?

[Chorus]Paradise

That's where I am

When I make love to you

Boy you take me there

This I swear

Paradise

When you touch me

In the places you do

I can't wait no more  
Take me there tonight  
[C-part]It's time to tell the truth  
It's time that you confess  
Be honest with me baby  
I know you're feeling this  
Do you need for me  
Like I feel for you  
Tell it to me baby  
So whatcha gonna do  
[TQ]Wait a minute, ma, let me let you know what i'm in to  
To know where I'm going  
Gotta know what I've been trough  
Hustler  
Never been the type to sweat you  
But I must admit you're looking good in your jeans, boo  
Can we rendez-vous at the hotel around noon?  
Can you keep a secret 'bout the things that we do?  
If you can we can go to paradise, boo  
Me and you  
Me and you  
Me and you  
[Chorus]Paradise  
That's where I am  
When I make love to you  
Boy you take me there  
This I swear  
Paradise  
When you touch me  
In the places you do  
I can't wait no more  
Take me there tonight
