

# Love Me Harder

Ariana Grande

Tell me something, I need to know  
Then take my breath and never let it go  
If you just let me invade your space  
I'll take the pleasure, take away the pain And if in the moment I bite my lip  
Baby, in that moment, you'll know this  
Is something bigger than us and beyond bliss  
Give me a reason to believe it 'Cause if you want to keep me, you gotta gotta gotta love me harder  
And if you really need me, you gotta gotta gotta love me harder  
(Gotta love me harder)  
Love me, love me, love me  
Harder, harder, harder I know your motives and you know mine  
The ones that love me, I tend to leave behind  
If you know about me and choose to stay  
Then take this pleasure and take away the pain And if in the moment you bite your lip  
When I get you moaning you know it's real  
Can you feel the pressure between your hips?  
I'll make it feel like the first time 'Cause if you want to keep me, you gotta gotta gotta love me harder  
(Imma love you harder)  
And if you really need me, you gotta gotta gotta love me harder  
(Love me harder)  
Love me, love me, love me  
Harder, harder, harder  
Love me, love me, love me  
Harder, harder, harder So what do I do if I can't figure it out?  
You got to try, try, try again  
So what do I do if I can't figure it out?  
I'm gonna leave, leave, leave 'Cause if you want to keep me, you gotta gotta gotta love me harder  
(I'll love you, love you, love you)  
And if you really need me, you gotta gotta gotta love me harder  
(Love me, love me, baby)  
'Cause if you want to keep me, you gotta gotta gotta love me harder  
(Love me harder)  
And if you really need me, you gotta gotta gotta love me harder  
(Imma love you harder)  
Love me, love me, love me  
Harder, harder, harder  
(Love me, love me, baby)  
Love me, love me, love me  
(Just a little bit, just a little bit harder, babe)

Harder, harder, harder
