Thunder and Lightning

Deaf School

I'm way out of line with your love
I'm way out of line with your love

But this wonderful thing, thing that you bring into my life
You fell to my feet, felt incomplete, you were so neat
I didn't see the danger, I knew that times are changing
Don't leave me as a stranger, my dreams are rearranging

I'm way out of line with your love
I'm way out of line with your love

Just another case of hit and run, I didn't know that the man would come
I didn't see the danger, I knew that times are changing
Don't leave me as a stranger, my dreams are rearranging

Woah, uh, uh, uh, frightening
Uh, uh, uh, oh
This thunder and lightning, seems so inviting, now just seems frightening
This thunder and lightning, inviting, seems frightening
This thunder and lightning, inviting, seems frightening

I'm way out of line with your love
I'm way out of line with your love
I'm way out of line with your love
I'm way out of line with your love
I'm way out of line with your love
