Smile Again (Instrumental In Chorus)

LEDApple

English Translation:
Dear you, please smile again, smile now
Throw your tears to the sea and shout out loud
Now smile again - just like the burning sun
Our love will never turn offYou are like the burning sun
You are like the waves
Hotly, coldly, you shake me upYou are like the stars in the night sky
I'll be a lighthouse in the sea and shine on you
I'll shine your wayAfter the rain stops, the world becomes clearer
The rough winds are only momentaryDear you, please smile again, smile now
Throw your tears to the sea and shout out loud
Now smile again - just like the burning sun
Our love will never turn offThough high waves and big boulders may block our way
I know that the sun is always behind the clouds
I knowDear you, please smile again, smile now
Throw your tears to the sea and shout out loud
Now smile again - just like the burning sun
Our love will never turn offNever turn offRomanized:
