

Best I Ever Had (feat. Drake)

Nicki Minaj

Baby you my everything
You're all I ever wanted
We can do it real big
Bigger then you ever done it
You be up on everything
The other hoes ain't never on it
I want this forever, I swear
I can spent whatever on it
'Cause she holds me down
Every time I hit her up
When I get it right I promise we gonna live it up
She makes me beg for it til' she gives it up
Then I say the same thing every single time I say[Chorus]
You the fucking best
You the fucking best
You the fucking best
You the fucking best
Your the best I eva had
Best I eva had
Best I eva had
Best I eva had
Best I eva had
I said your the best I eva had You know you got your own maid
Call me when it's going there
Put that key under the mat
And you know I be over there
(yup!)
I be over there
Shawty I be over there
I be hitting all the spots that
You didn't even know was there
(hahah)
You don't even have to ask twice
You could have my heart
Or we can share it
Like the last slice
Always felt that you
So a custom to the fast life
Having a nigga thinking

That he met you in the past life
Sweat pants, hair tie,
Chilling with no make on
That's when your the prettiest
I hope you don't take it wrong
You don't even trip
When friends say
You ain't bringing drake along
You know that
I been working I be there
Soon as I make it hooome
And she patient in my waiting room
Never pay attention to
The roomers and what they assumed
And till them girls proofed it
I'm the one to never get confused withBaby you my everything
You're all I ever wonted
We can do it real big
Bigger then you ever done it
You be up on everything
The other hoes ain't never on it
I want this forever, I swea
I can spent whatever on it
'Cause she holds me down
Every time I hit her up
When I get it right I promise we gonna live it up
She makes me beg for it til' she gives it up
Then I say the same thing every single time I say[Chorus]Ayo you're the only one
That see the real Nicki
I can show you chill Nicki
'Cause of how you deal with me
And they knock my blocks down
You come and you build with me
Even though you real busy
He's the fucking real drizzy
It's so amazing, I figure out
This world is ours for the taking
I figure out that when I go out
And those people scream
That some of theme are living vicariously threw me
That's why I put that "s" on my chest
And I'm gone but on a other note
Let's have sexs in my dorm
And I'm a make you beg
Causing you look pretty when you begging

So meet me at the campus
I be there around 11
So let me put my books down
Excuse me if I look down
Guess I'm a little nervous
When I'm at your service
Look at what you took downnnnnnnnnnnBaby you my everything
You all I ever wanted
We can do it real big
Bigger than you ever done it
You be up on everything
Other niggas never on it
I want this forever
I swear I could spent whatever on it
'Cause I could hold you down
Every time you hit me up
When I get right around it
Tell me we gonna live it up
I make you beg for it
Until I give it up
You say the same thing
Every single time[Chorus]Sex love pain baby I be on that tank shit.
Buzz so big I could probably sell a blank disc.
When my album drop bitches will buy it for the picture
And niggas will buy it to and claim they got it for they sister
Magazine paper girl but money ain't the issue
They bring dinner to my room and ask me to initial
She call me the referee
'Cause I be so official
Ma shirt ain't got no stripes but I can make ya pussy whistlee
Like the Andy Griffith theme song,
And who told you to put them jeans on?
Double cup love
You the one I lean on,
Feelin' for a fix then you should really get ya fiend on
Yea just kno ma condo is the crack spot
Every single show she out there reppin' like a mascot
Get it from the back
And make ya fuckin' bra strap pop
All up in ya slot until the nigga hit the jackpot [I'm sayin']Baby you ma everythin, you all I eva wanted
We can do it real big
Bigga den you eva done it
You be up on everythin'
Other hoes ain't eva on it
I want this foreva I swear I can spend wateva on it

'Cause she hold me down every time I hit her up
When I get right I promise that we gon' live it up
She make me beg for it till she give it up
And I say the same thing every single time[Chorus]
