

Rock N' Roll Is All I Got

Murderdolls

I don't need no woman yacking
I don't need no friends
Sold my soul to rock n roll
Let me tell you where it all began! It was a sunny day, sitting by a grave
When the devil walked up to me
He said "For your soul
I'll give you rock n roll
And that's all you'll ever need" I've got nothing to lose
I've got nothing to prove
Gonna make some noise before I rot
Cause rock n roll is all I got I've said it once before
And I'll say it once again
Sex, drugs and rock n roll
Have been my only friends
Yeah! Rock n roll, Rock n roll is all I got! I don't need no one to love me
Stay the fuck away
Hell's the only path I walk tonight
Won't you follow me this way? I've got drugs to take
I've got shit to break
I've got bitches when I need
I don't give a shit
I'm a son of a bitch
Dissatisfaction Guaranteed I've got nothing to lose
I've got nothing to prove
Gonna make some noise before I rot
Cause rock n roll is all I got I've said it once before
And I'll say it once again
Sex, drugs and rock n roll
Have been my only friends
Yeah! We live, we breath
We bleed, rock n roll
We live, we breath
We bleed, rock n roll I've said it once before
And I'll say it once again
Sex, drugs and rock n roll
Have been my only friends
Yeah! Rock n roll, Rock n roll is all I got!
