

# Sunburn (Timo Maas Sunstroke Remix)

## Muse

Come waste your millions here  
Secretly she sneers  
Another corporate show  
A guilty conscience grows And I'll feel a guilty conscience grow  
And I'll feel a guilty conscience grow She burns like the sun  
and I can't look away  
And she'll burn our horizons  
make no mistakes  
Come let the truth be shared  
No-one ever dared to break  
These endless lies  
Secretly she cries She burns like the sun  
And I can't look away  
And she'll burn our horizons  
Make no mistakes  
And I'll hide from the world  
Behind a broken frame  
And I'll burn forever  
I can't face the shame  
And I'll hide from the world  
Behind a broken frame  
And I'll burn forever  
I can't face the shame
