

# Sign O' the Times

## Prince

Oh yeah!

In France, a skinny man died of a big disease with a little name  
By chance his girlfriend came across a needle and soon she did the same  
At home there are seventeen-year-old boys and their idea of fun  
Is being in a gang called 'The Disciples'  
High on crack and totin' a machine gun  
Hurricane Annie ripped the ceiling of a church and killed everyone inside  
You turn on the telly and every other story is tellin' you somebody died  
A sister killed her baby 'cause she couldn't afford to feed it  
And yet we're sending people to the moon  
In September, my cousin tried reefer for the very first time  
Now he's doing horse - it's June, unh  
It's silly, no?  
When a rocket ship explodes and everybody still wants to fly  
But some say a man ain't happy unless a man truly dies  
Oh why?  
Baby make a speech, Star Wars fly  
Neighbors just shine it on  
But if a night falls and a bomb falls  
Will anybody see the dawn?  
Is it silly, no?  
When a rocket blows and, and everybody still wants to fly  
Some say man ain't happy truly until a man truly dies  
Oh why, oh why?  
Sign o' the times, unh  
Sign o' the times mess with your mind  
Hurry before it's too late  
Let's fall in love, get married, have a baby  
We'll call him Nate  
If it's a boy
