

New York, New York

[Liza Minnelli](#)

Start spreading the news, I'm leaving today
I want to be a part of it, New York, New York
These vagabond shoes are longing to stray
And step around of heart of it, New York, New York I want to wake up in the city, that doesn't sleep
To find I'm king of the hill, top of the heap My little town blues, are melting away
I'll make a brand new start of it, in old New York
If I can make it there, I'll make it anywhere
It's up to you, New York, New York New York, New York
I want to wake up in the city, that doesn't sleep
To find I'm king of the hill
Head of the list, cream of the crop, at the top of the heap My little town blues are melting away
I'll make a brand new start of it, in old New York
If I can make it there, I'll make it anywhere
Come on come through, New York, New York My little town blues are melting away
I'll make a brand new start of it, in old New York
If I can make it there, I'll make it anywhere
Come on come through, New York, New York
