

# Lady Marmalade (ThunderDrums)

Christina Aguilera

Well I thought I knew you, thinkin' that you were true  
Guess I, I couldn't trust called your bluff time is up  
'Cause I've had enough  
You were there by my side, always down for the ride  
But your joy ride just came down in flames cause your greed sold me out in shame  
After all of the stealing and cheating you probably think that  
I hold resentment for you  
But uh uh, oh no, you're wrong  
'Cause if it wasn't for all that you tried to do, I wouldn't know  
Just how capable I am to pull through  
So I want to say thank you  
Cause it 'Cause it makes me that much stronger  
Makes me work a little bit harder  
It makes me that much wiser  
So thanks for making me a fighter  
Made me learn a little bit faster  
Made my skin a little bit thicker  
Makes me that much smarter  
So thanks for making me a fighter  
Never saw it coming, all of your backstabbing  
Just so you could cash in on a good thing before I'd realize your game  
I heard you're goin' round playin', the victim now  
But don't even begin feeling I'm the one to blame  
'Cause you dug your own grave  
After all of the fights and the lies cause you're wanting to haunt me  
But that won't work anymore, no more,  
It's over  
'Cause if it wasn't for all of your torture  
I wouldn't know how to be this way now and never back down  
So I want to say thank you  
Cause it 'Cause it makes me that much stronger  
Makes me work a little bit harder  
It makes me that much wiser  
So thanks for making me a fighter  
Made me learn a little bit faster  
Made my skin a little bit thicker  
Makes me that much smarter  
So thanks for making me a fighter  
How could this man I thought I knew  
Turn out to be unjust so cruel  
Could only see the good in you

Pretended not to know the truth  
You tried to hide your lies, disguise yourself  
Through living in denial  
But in the end you'll see  
You won't stop me I am a fighter and I  
I ain't goin' stop  
There is no turning back  
I've had enough 'Cause it makes me that much stronger  
Makes me work a little bit harder  
It makes me that much wiser  
So thanks for making me a fighter  
Made me learn a little bit faster  
Made my skin a little bit thicker  
Makes me that much smarter  
So thanks for making me a fighter You thought I would forget,  
But I remember  
'Cause I remember  
I remember  
You thought I would forget,  
But I remember  
'Cause I remember  
I remember 'Cause it makes me that much stronger  
Makes me work a little bit harder  
It makes me that much wiser  
So thanks for making me a fighter  
Made me learn a little bit faster  
Made my skin a little bit thicker  
Makes me that much smarter  
So thanks for making me a fighter
