

# Yes, My Darling

**Fats Domino**

Yes my darlin' I want you to know  
Each an every day I love you more and more  
Let's get married, get married soon  
You be the bride and I'll be your groom I'm tellin' you darlin' what I'm gonna do  
I'm savin' all my lovin' just for you  
I'm gonna buy you a weddin' ring  
So I won't have to worry 'bout a doggone thing Now we married it's plain to see  
I was meant for you and you were meant for me  
I'll buy a home and we'll settle down  
Way out in some little country town Yes, my darlin' it's plain to see  
I was meant for you and you was meant for me  
We get married, get married soon  
You be the bride and I'll be your groom
