

Come Pick Me Up

[Ryan Adams](#)

When they call your name
Will you walk right up
With a smile on your face?
Will you cower in fear
In your favorite sweater
With an old love letter? I wish you would
I wish you would, come pick me up
Take me out, fuck me up
Steal my records, screw all my friends
They're all full of shit
With a smile on your face
And then do it again
I wish you would When you're walking downtown
Do you wish I was there?
Do you wish it was me?
With the windows clear
And the mannequin's eyes
Do they all look like mine?
You know you could I wish you would, come pick me up
Take me out, fuck me up
Steal my records, screw all my friends
Behind my back
With a smile on your face
And then do it again
I wish you would I wish you'd make up my bed
So I could make up my mind
Try it for sleeping instead
Maybe you'll rest sometimes
I wish I could
I wish I could
I wish I could
