

# Breakin' at the Cracks

Colbie Caillat

I think you took my heart away, when you said you're leaving  
Cos right now I am hurting, all over again  
And I never thought that I'd be in this place its a mistake  
And now I don't know how much more that I can take I'm breaking at the cracks  
And everything goes black  
It's another heart attack  
And I can't handle that  
Woo love I need you back I know that I'll get through this  
I'm feeling is stronger somehow  
I got my feet back on the ground  
And I'm turning around  
And I'll be everything you always said that I could be  
If only you'll be waiting right here for me patiently I'm breaking at the cracks  
And everything goes black  
It's another heart attack  
And I can't handle that  
Woo love I need you back Oh whenever would I take you back,  
My heart was filled with love  
Then I wipe these tears and I will laugh  
If only I could make it last, make it last Breaking at the cracks  
And everything goes black  
It's another heart attack  
And I can't handle that  
Woo love I need you back  
I need you back  
I need you back  
I need you back  
I need you back  
I need you back  
I need you back  
I need you back  
Love I need you back  
Love I need you back  
I need you back  
I need you back
