His Love

Obby Judah

His love

1st verse
Summer rain is falling down on me
Cause Iâ€™m free/Cause He is with me
I can see a shooting star from afar/Cause He is nearer to my heart
The winds of change are blowing/The rivers are overflowing
Now I know where Iâ€™m going/No more hesitation
No more limitation/This is my invitation/To the whole nation
Chorus
I have seen His love /I have felt His grace x2
I have felt His presence/I have seen His compassion
His love endures forever, forever x2
I have seen His love /I have felt His grace x2
I have felt His presence
2nd Verse
As I look into the sky/ I can feel a different vibe
Yes oh Lord I feel alive/I can feel the consuming fire
Heâ€™s my strong and high tower/He has given me the power
To overcome any obstacles
When Iâ€™m weak, He is stronger
When I lack, Heâ€™s the provider
Jehovah Jirah ,Jehovah Jirah x2
Iâ€™m standing in your presence/And I can feel your warm embrace/Cause I have seen your great love
When you died on the cross for my sins/A lamb who was slain for the whole nation
So that I may be redeem(Chorus)
