

# Ain't Nobody but Me

## Supertramp

Let me tell you a story that'll make a change  
Let me tell you when I'm way out of range  
It's about a man crueler than me  
So, promise not to cause a scene  
Heaven help the one's you love  
There's no big need for stars above Well you can run, you know he'll find you  
It don't matter now, just look behind you  
Your hands are warnin', and you knew the score  
You got it wrong and that means war  
So, why'd you have to treat me rough  
Your explanation's not enough Ain't nobody but me  
Gonna lie for you, gonna die for you  
Ain't no fish in the sea  
Gonna sigh for you, gonna try for you  
Gonna lie for you, gonna die for you  
Wooh You see, I got a mental disposition  
Sometimes I'm mean, sometimes I'm vicious  
I'm Dr. Jekyll, Mr. Hyde  
So if you wanna stay alive  
Just give me all you've got to give  
And, then perhaps I'll let you live Ain't nobody but me  
Gonna lie for you, gonna die for you  
Ain't no fish in the sea  
Gonna sigh for you, gonna try for you  
Gonna lie for you, gonna die for you  
Gonna sigh for you, gonna try for you  
Gonna lie for you, gonna die for you (Hush)  
Now baby, stop your cryin'  
(Oh, yes)  
I know that I've been lyin'  
(Hush)  
Now baby, stop your cryin'  
(Oh, yes)  
I know that I've been lyin'  
(Don't you)  
(Hush)  
Now baby, stop your cryin'  
(Oh, yes)  
I know that I've been lyin'

(Don't you)  
(Hush)  
Now baby, stop your cryin'  
(Oh, yes)  
I know that I've been lyin'  
(Don't you)  
(Hush)  
Now baby, stop your cryin'  
Aah aaa  
Gonna
