

# Lights Down Low (feat. Waka Flocka Flame)

## Bei Maejor

Verse 1:

Lil mama want her hair pulled  
Legs pushed back  
Only like a Rottweiler and a kitty cat  
She want it wild  
Shawty wanna scream  
Want it from the front, back, side, and in between  
Want it all the time, she a \*feind\*  
So good, I see it in my dreams  
She wanna arch her back when I hit it  
When I do it mama wanna holla get it  
She said

Chorus:

Take it slow, put it down on me  
I said jump on it  
Ride like a pony  
Lights down low, time to get naughty  
Lights down low, time to get naughty  
Take it slow, put it down on me  
Baby jump on it  
Ride like a pony  
Lights down low, time to get naughty  
Lights down low, lights down low  
And we gon get it on  
We gon get it on  
I know what you want  
Yeah I know what you want

Verse 2:

Lil mama hol' up where they do that at?  
She wanted more than one round that's a fact  
Ding, ding body shots from the back
