

Your Girl

Kakkmaddafakka

Last night I had a dream,
about this girl I know,
God she's beautiful.
But when I woke up I realized,
that the dream I had was true.

You see,
I'm not trying to cause any trouble,
but the way she acts,
makes it difficult.
To be the guy I am,
around my firends.
She's got to stop what she's doing now.

'Cause that is your girl, it's your girl.
You know it's your girl, it's your girl oooh.
You know it's your girl, it's your girl.
You know it's your girl.

Last night when I went to bed,
I just couldn't sleep, I was so confused.
Because everytime she looks at me,
it feels like the way,
she should be looking at you.
And everytime she does this with me,
it feels like the way she should be glancing at you.
And you know I'm not the only one that feels this way,
she's got to stop what she's doing now.

'Cause that is your girl, it's your girl.
You know it's your girl, it's your girl oooh.
You know it's your girl, it's your girl.
'Cause that is your girl. x2

Ask one of us,
or the guy with the crooked fingers. x8

'Cause that is your girl, it's your girl.
You know it's your girl, it's your girl oooh.
You know it's your girl, it's your girl.

'Cause that is your girl. x2
