

# A man without love

## Joe Loss

I can remember when we walked together  
Sharing a love I thought would last forever  
Moonlight to show the way so we can follow  
Waiting inside her eyes was my tomorrow  
Then somethin' changed her mind, her kisses told me  
I had no lovin' arms to hold meEvery day I wake up, then I start to break up  
    Lonely is a man without love  
    Every day I start out, then I cry my heart out  
    Lonely is a man without loveEvery day I wake up, then I start to break up  
    Knowing that it's cloudy above  
    Every day I start out, then I cry my heart out  
    Lonely is a man without loveI cannot face this world that's fallen down on me  
    So, if you see my girl please send her home to me  
    Tell her about my heart that's slowly, slowly dying  
Say I can't stop myself, I'm cryingEvery day I wake up, then I start to break up  
    Lonely is a man without love  
    Every day I start out, then I cry my heart out  
    Lonely is a man without loveEvery day I wake up, then I start to break up  
    Knowing that it's cloudy above  
    Every day I start out, then I cry my heart out  
    Lonely is a man without loveEvery day I wake up, then I start to break up  
    Lonely is a man without love  
    Every day I start out, then I cry my heart out  
    Lonely is a man without love
