

# I Think I Love You

Declan

I'm sleeping  
and right in the middle of a good dream  
when all at once i wake up  
from something that keeps knocking at my brain  
Before I go insane

I hold my pillow to my head  
And spring up in my bed  
screaming out the words I dread

I think i love you

this morning i woke up with this feeling  
I didn't know how to deal with  
and so i just decided to myself.  
I'd hide it to myself  
and never talk about it  
And did not go and shout it  
when you walked in to the room

I think i love you

i think i love you!!!  
so what am i so afraid of???  
I'm afraid that I'm not sure of  
A love there is no cure for

I think I love you!!!  
Isn't that what life is made of?  
So it worries me to say  
that I've never felt this way

I think I love you  
yes I do  
I thik I love you  
yes i do

I don't know what I'm up against  
I don't know what it's all about

I've got so much to think about

I think I love you!!!  
So what am I so afraid of?  
I'm so afraid that I'm not sure of  
A love there is no cure for

I think I love you!!!  
Isn't that what life is made of?  
so it worries me to say  
thet I've never felt this way  
belive me

you really don't have to worry!  
I only wanna make you happy  
And if you say „hey go away" I will  
But I think better still  
I better stay around and love you

Do you think I have a case?  
Let me ask you to your face

Do you think you love me???!  
I think i love you!!!
