# Two Times

## Kid Karate

Two times behind my back
I aint comin' back
You won't hear from me no more.

Too many parking lots
Too many men forgot
â€”What they were when they were young

Too many brides to be
Too many men dont see
â€”What they were when they were young

When I met the devil
He had it together
â€”So what the hell am I doing wrong?

When I met his son,
He was the chosen one
â€”But I, I am not like him!

Two times.
Behind.
My back, my back, my back,
â€”No, I aint, I aint comin backï»¿
