Save It For Later

The English Beat

Two dozen other dirty lovers,
Must be a sucker for it,
Cry cry but I don't need my mother.
Just hold my hand while I come to a decision on it

Sooner or later
Your legs give way, you hit the ground
Save it for later
Don't run away and let me down
Sooner or later
You hit the deck, you get found out
Save it for later
Don't run away and let me down
You let me down

Black air and seven seas are rotten through
But what can you do?
I don't know how I'm meant to act with all of you lot
Sometimes I don't try,
I just now now now now now now now now now now now
Now now now now now now now now now now now!

Sooner or later
Your legs give way, you hit the ground
Save it for later
Don't run away and let me down.
Sooner or later
You hit the deck, you get found out.
Save it for later
Don't run away and let me down.
You let me down
You runaway and let me down.

Two dozen other stupid reasons
Why we should suffer for this.
Don't bother trying to explain them
Just hold my hand while I come to a decision on it

Sooner or later
Your legs give way, you hit the ground.

Save it for later
Don't run away and let me down.
Sooner or later
You hit the deck, you get found out.
Save it for later
Don't run away and let me down
You let me down
You run away run away
Runaway runaway runaway and let me down.
