

# Save It For Later

## The English Beat

Two dozen other dirty lovers,  
Must be a sucker for it,  
Cry cry but I don't need my mother.  
Just hold my hand while I come to a decision on it

Sooner or later  
Your legs give way, you hit the ground  
Save it for later  
Don't run away and let me down  
Sooner or later  
You hit the deck, you get found out  
Save it for later  
Don't run away and let me down  
You let me down

Black air and seven seas are rotten through  
But what can you do?  
I don't know how I'm meant to act with all of you lot  
Sometimes I don't try,  
I just now now now now now now now now now  
Now now now now now now now now!

Sooner or later  
Your legs give way, you hit the ground  
Save it for later  
Don't run away and let me down.  
Sooner or later  
You hit the deck, you get found out.  
Save it for later  
Don't run away and let me down.  
You let me down  
You runaway and let me down.

Two dozen other stupid reasons  
Why we should suffer for this.  
Don't bother trying to explain them  
Just hold my hand while I come to a decision on it

Sooner or later  
Your legs give way, you hit the ground.

Save it for later  
Don't run away and let me down.  
Sooner or later  
You hit the deck, you get found out.  
Save it for later  
Don't run away and let me down  
You let me down  
You run away run away  
Runaway runaway runaway and let me down.
