

# As The Honky Tonk Turns

Mark Chesnutt

As the honky tonk turns  
And the world goes 'round  
I'll be sittin' on a bar stool  
Pourin' cold ones down  
Watchin' hearts get broken  
From hard lessons they've learned  
It's just a typical evenin'  
As the honky tonk turns Ol' Frank always plays the same ol' song  
And sometimes he even thinks that he's George Jones  
But it tears ol' Lester up to hear that jukebox play his life  
And he'll tell us once again  
Just how he lost his wife As the honky tonk turns  
And the world goes 'round  
I'll be sittin' on a bar stool  
Pourin' cold ones down  
Watchin' hearts get broken  
From hard lessons they've learned  
It's just a typical evenin'  
As the honky tonk turns Last night I watched Charlene fall in love  
For the third time this week that I know of  
But tonight she'll be here feeling sorry for herself  
Drinkin' like there's no tomorrow  
And leaning on somebody else As the honky tonk turns  
And the world goes 'round  
I'll be sittin' on a bar stool  
Pourin' cold ones down  
Watchin' hearts get broken  
From hard lessons they've learned  
It's just a typical evenin'  
As the honky tonk turns It's just a typical evenin'  
As the honky tonk turns...
