

Little Willow

[Paul McCartney](#)

Bend, little willow, wind's gonna blow you
Hard and cold tonight
Life, as it happens, nobody warns you
Willow, hold on tight Nothing's gonna shake your love
Take your love away
No one's out to break your heart
It only seems that way, hey Sleep little willow, peace gonna follow
Time will heal your wounds
Grow to the heavens, now and forever
Always came too soon Little willow Nothing's gonna shake your love
Take your love away
No one's out to break your heart
It only seems that way, hey Bend, little willow, wind's gonna blow you
Hard and cold tonight
Life, as it happens, nobody warns you
Willow, hold on tight (Willow)
Ah, little willow
(Willow)
Ooh, little willow
