

New Direction

S Club Juniors

Ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ahIt seems to me, I cannot breathe
When you're around
You leave me there, in the cold
I'm lost and foundI've bin' lookin' for a new direction
There's something you know I gotta say
I've been lookin' for a new connection
Need someone whose gonna make me stayYou shouldn't have lied
You shouldn't have played
Not the kinda girl to look
The other wayYou shouldn't have cried
You shouldn't have faked
Just gotta tell you straight
Before I walk awayIt's too la-ateAh-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ahNeeded to rediscover my identity
I'm doin' fine
Baby don't feel sad
For meI've bin' lookin' for a new fixation
Someone who can stimulate my mind
I've bin' lookin' for a new sensation
Another love you know
I'm gonna findYou shouldn't have lied
You shouldn't have played
Not the kinda girl to look
The other wayYou shouldn't have cried
You shouldn't have faked
Just gotta tell you straight
Before I walk awayIt's too la-ateAh-ah-ah-ah-ah
Ah-ah-ah-ah-ah-ah-ah
Ah-ah-ah-ah-ah(I'm lookin' for a new direction
Ah-ah-ah-ah-ah-ah-ah (I'm lookin' for a new direction)I've bin' lookin' for a new direction
Not the kinda girl to look the other way
I've been lookin' for a new direction
Just gotta tell you straight
Before I walk away (Walk away)It's too la-ateHa ha ha haIt's too la-ateYou shouldn't have lied

You shouldn't have played
Not the kinda girl to look
The other way You shouldn't have cried
You shouldn't have faked
Just gotta tell you straight
Before I walk away You shouldn't have lied, you shouldn't have played,
Not the kinda girl to look the other way, You shouldn't have cried, you shouldn't have faked,
Just gotta tell you straight before I walk away, You shouldn't have lied, you shouldn't have played,
Not the kinda girl to look the other way, You shouldn't have cried, you shouldn't have faked,
Just gotta tell you straight before I walk away,
