

# Rain

## Creed

Can you help me out? Can you let me in?  
It's safe to say that I'm stuck again  
Trapped between this life and the light  
I just can't figure out how to make it right  
A thousand times before  
I've wondered if there's something more, something more  
I feel it's gonna rain like this for days  
So let it rain down and wash everything away  
I hope that tomorrow the sun will shine  
With every tomorrow comes another life  
I feel it's gonna rain for days and days, I feel it's gonna rain  
I tried to figure out  
I can understand what it means to be whole again  
Trapped between the truth and the consequence  
Nothing's real, nothing's making sense  
A thousand times before  
I've wondered if there's something more, something more  
I feel it's gonna rain like this for days  
So let it rain down and wash everything away  
I hope that tomorrow the sun will shine  
I feel it's gonna rain like this, rain like this, rain like this  
Fall down, wash away my yesterdays  
Fall down, so let the rain fall down on me  
I feel it's gonna rain like this for days  
Let it rain down and wash everything away  
I hope that tomorrow the sun will shine  
I feel it's gonna rain like this, rain like this  
I feel it's gonna rain like this, rain like this  
I feel it's gonna rain like this, I feel it's gonna rain
