

# Moriah

## Masters of Reality

Standing high on beacons hill  
Oh looking down on patton's pill  
Oh, top notch hop scotch  
Hodgey podge  
Welcome to the western lodge  
MoriahDeath will seem sir, real soon  
In the sunshine afternoon  
Kings and pawns are jumping lawns  
For mary kay and lemon grass prawns  
Think top notch hop scotch  
Marky mark  
Welcome to the western lark  
MoriahFrankincence and checkerboard squares can  
Hardly live with peoples stares  
Kings and pawns are jumping lawns  
For mary kay and lemon grass prawns  
And top notch hop scotch  
Hodgey podge  
Welcome to the western lodge  
Moriah
