

# CloudBreaker

## Basto & Yves V.

Iâ€™m gonna play  
Right here, right now

Iâ€™m gonna play  
Right here, right now

Iâ€™m gonna play  
Right here, right now

Iâ€™m gonna play  
Right here, right now

Iâ€™m gonna play (repeat)

Right here, right now

Iâ€™m gonna play (repeat)  
Right here, right now

Iâ€™m gonna play x 2  
Right here, right now  
Right here, right now

---
