

# Rock & Roll Show

## Birth Of Joy

My baby wanna go  
Wanna go to a rock and roll show  
She wanna come and there she goes  
Getting high letting everyone know  
She looks so good and she feels so fine  
Makes me crazy in my mind  
She looks so good and she feels so fine  
Gonna ride with her through the night yeah  
My baby  
Shaking my soul  
Twists and rolls  
Queen of the ball  
She wears a crown of emerald gold  
Bright she shines a heating glow  
She looks so good and she feels so fine  
Makes me crazy in my mind  
She looks so good and she feels so fine  
Gonna ride with her through the night  
Keep me waiting  
Keep me waiting  
She won't  
Keep me waiting  
Keep me waiting  
She won't  
Keep me waiting  
Keep me waiting  
She looks so good and she feels so fine  
Makes me crazy in my mind  
She looks so good and she feels so fine  
Gonna ride with her through the night  
Keep me waiting  
Keep me waiting
