I Am Wrong

NoMeansNo

I know what I know
I'm no hero
Say yes, say no
Don't come, come close
Wrong
Be strong, be strong
Don't be all wrong
Don't wait or hesitate
Take care, beware
Wrong
I am wrong
I feel great, let's celebrate
It's a sunny day, let's dance and play
Never fear, love is here
Never fear, love is
Be straight, don't lie
Don't tell, tell why
I know what I know
I'm no hero
Wrong
I am wrong
I feel great, let's celebrate . . .
Step into my parlour said the spider to the fly
And we could share a love that will never die
Step into my parlour said the spider to the fly
And we could share a love that will never
Die
I know what I know
I'm no hero
Don't wait or hesitate
Be strong
Be wrong
Wrong
I am wrong
