

You'd Be the One

Suzy Bogguss

I didn't mean to get this close, it feels too right
And I'll think straighter tomorrow if I don't hold you tonight
I realize it's time for me to go
But it seems only fair to let you know Of all the things I wanna do and never done
You'd be the one
(You'd be the one)
And if you want to know how close I'd ever come
(You'd be the one)
You'd be the one Looking at it honestly, I guess I knew
I opened up this door but I can't let you walk through
I have too much to lose if I fall
But if it means anything at all Of all the things I wanna do and never done
You'd be the one
(You'd be the one)
And if you want to know how close I'd ever come
(You'd be the one)
You'd be the one I wear this ring to tell the world I love one man
But you and I almost got out of hand Of all the things I wanna do and never done
You'd be the one
(You'd be the one)
And if you want to know how close I'd ever come
(You'd be the one)
You'd be the one Of all the things I wanna do and never done
You'd be the one
(You'd be the one)
And if you want to know how close I'd ever come
(You'd be the one)
You'd be the one
