

Bahm Bahm (Do It Once Again) / I Want You

Keri Hilson

I run I jump I fly
Oh me oh you oh we oh mine
Your love it takes me high,
So real, so true, I can't lie
Oh boy you got me going crazy, baby
I think I want to have your baby
Stop playing bahm bahm

Can't eat, can't sleep,
Can't breathe,
When you come around make me get weak in the knees
Boy stay oh please don't leave
I need you by my side and I'm begging you please
I think your loving is amazing, bahm bahm
Oh boy you're hot you're really blazing

When you grind up on me,
Love up on me, touch up on me
Do it once again,

Grind up on me,
Love up on me, touch up on me
Do it once again, bahm

Know in your heart I try to do everything you want,
Do everything you like, bahm
I need you to be mine,
If I can't you I think I'm gonna cry, bahm
You never take me not one warning,
Now boy your lovin' is a problem
Call the police
Call nine one one I'm hooked,
I'm shook, I've fallen and can't get up, bahm
Your lips, your body,
Your touch, got me in a trance I can't get enough, bahm
You're too much for me and I can't take it, bahm bahm
Oh boy, you got my body shaking

When you grind up on me,
Love up on me, touch up on me

Do it once again,

Grind up on me,
Love up on me, touch up on me
Do it once again, bahm

I said you're the one I want,
I don't want another one
Baby baby you're sexy come undress me,
Oh boy, cause you turn me on
I say you're the one I want,
I don't want another one
Baby you're sexy come undress me,
Oh boy, cause you turn me on

When you grind up on me,
Love up on me, touch up on me
Do it once again,

Grind up on me,
Love up on me, touch up on me
Do it once again, bahm

Grind up on me,
Love up on me, touch up on me
Do it once again, bahm

Grind up on me,
Love up on me, touch up on me
Do it once again, bahm

Tell me pretty baby if you wanna make love tonight
Tell me baby baby if you wanna make love tonight
Tell me baby baby if you wanna make love tonight
Tell me baby baby if you wanna make love tonight
Tell me baby baby if you wanna make love tonight
Tell me baby baby if you wanna make love tonight

I want you you I had a few but never you,
And dammit boy I want you
Let it go and let it down and let it go,

I want you

Let it go

Baby feel my

Baby I want you

(Tell me baby baby if you wanna make love tonight)
