

No Nuclear War (2002 - Remaster)

Peter Tosh

Chorus:

No Nuclear War

We don't want no nuclear war

With nuclear war we won't get far

I said that We don't want no nuclear war

With nuclear war we won't get far

Said no, just another holocaust

It's just another holocaust

And we can't take no more Too many people are hungry

They don't have food to eat

They are naked

'Cause they don't have clothes to wear

They are going insane

Because of the condition

A million babies

Are suffering from malnutrition Chorus

I can't take no more I saw World War One

Where lotsa trouble begun

I saw World War Two

When the pirates came right through Lookin' for World War Three

But you got to set me free

Free from the chains

And this here misery Chorus

We can't take no more

Unemployment

I said the rate is high

So much sick people

I'm sure they gonna die So much mad people

Gettin' ready to explode

'Fore somebody

Come help them carry this load Chorus One country deploying MX

Another country deploying SS

Inflation goin' way up high

And the dollar is going way down low Chorus Crying, bawling, they can't take no more

I hear them moaning they can't take no more

They don't wanna die

They want to go to Heaven, yeah But they can't

They can't take no more

They gettin' low

They can't take no more They gettin' grief
They can't take no more
They gettin' beat
They can't take no more They gettin' lazy
Cause They can't take no more
Bored
They can't take no more Frustrated
They can't take no more
Pleading for them
They can't take no more Can't you hear me pleading for them
Cause They can't take no more They want to live in peace
And happiness
Let the trees grow
Let the waters flow...
