

Suppose

Elvis Presley

Suppose, no rose should ever grow again
Suppose, no brook would ever flow again
Suppose, no star should ever glow again
Suppose you didn't love me
Suppose, there were no bees or butterflies
Suppose, no bird should ever cross the skies
Suppose, the sun should never, never rise
Suppose you didn't love me
It's impossible to imagine a world without a star
But imagining no you is more impossible, by far
Suppose the springtime never should arrive
Suppose the tall green trees should not survive
Suppose I had no wish to be alive
Suppose you didn't love me
It's impossible to imagine a world without a star
But imagining no you is more impossible, by far
Suppose the springtime never should arrive
Suppose the tall green trees should not survive
Suppose I had no wish to be alive
Suppose you didn't love me, suppose you didn't love me
