

The Words

Christina Perri

All of the lights land on you
The rest of the world fades from you
And all of the love I see
Please please say you feel it too
And all of the noise I hear inside
Restless and loud, unspoken and wild
And all that you need to say
To make it all go away
Itâ€™s that you feel the same way too

And I know
The scariest part is letting go
Cause love is a ghost you canâ€™t control
I promise you the truth canâ€™t hurt us now
So let the words slip out of your mouth

And all of the stairs that land me to you
And all of the hell I has you walk through
But I wouldnâ€™t trade a day for the chance to say
My love, Iâ€™m in love with you

And I know
The scariest part is letting go
Cause love is a ghost you canâ€™t control
I promise you the truth canâ€™t hurt us now
So let the words slip out of your mouth

I know that weâ€™re both afraid
We both made the same mistakes
An open heart is an open wound to you
And in the wind thereâ€™s a heavy choice
Love has a quiet voice
Still you mind, now Iâ€™m yours to choose

And I know
The scariest part is letting go
Let my love be the light that guides you home

And I know
The scariest part is letting go

Cause love is a ghost you can't control
I promise you the truth can't hurt us now
So let the words slip out of your mouth
