

Pure

Shimshai

Pure, pure like the water
Let it run forever more
To be clean,
clean as the waves come crashing to the shore
It leaves me smooth,
Smooth as a pebble
Polished in the depth of love
And carried by the winds of grace
On the wings of a dove

Pure, pure like the water
Let it run forever more
To be clean,
clean as the waves come crashing to the shore
It leaves me smooth,
Smooth as a pebble
Polished in the depth of love
And carried by the winds of grace
On the wings of a dove

So shine, shine as a diamond
Projects the light of one
From the source we have sent through the center
As the moon reflects the sun
Arise and awake from your slumber
Kindle ancient flame
Is witnessed through the waves of what's to change
Though the essence remains the same
All lies and games
All fades away

So pure, pure like the water
Let it run forever more
To be clean,
clean as the waves come crashing to the shore
It leaves me smooth,
Smooth as a pebble
Polished in the depth of love
And carried by the winds of grace

On the wings of a dove

So shine, shine as a diamond

Projects the light of one

From the source we have sent through the center

As the moon reflects the sun

Arise and awake from your slumber

Kindle ancient flame

Is witnessed through the waves of what's to change

Though the essence remains the same

All lies and games

All fades away

All lies and things

No finds of ways

Nanana...

Nanana...
